Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Monday 09 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Drier night for most, although showers continuing in places overnight.

This Evening and Tonight:
A clearer evening and night than of late with many remaining dry. Some isolated fog patches may form overnight. Scattered showers may continue across some parts overnight. Minimum temperature 9 deg C (48 deg F).

Tuesday:
A cloudy start with isolated showers in the morning. The showers will clear to leave a much brighter afternoon with sunny spells. Feeling warmer in the sunshine with light winds. Maximum temperature 20 deg C (68 deg F).

Outlook for Wednesday to Friday:
A bright start on Wednesday before becoming rather cloudy, particularly through Wednesday afternoon and Thursday. Showery rain perhaps developing for a time. Drier and brighter on Friday.
